Tradition 7: Every A.A. group ought to be fully self-supporting, declining outside contributions.

Concept VII: The Conference recognizes that the charter and the bylaws of the general service board are legal instruments: that the Trustees are hereby fully empowered to manage and conduct all of the world service affairs of Alcoholics Anonymous. It is further understood that the Conference Charter itself is not a legal document: that it relies instead upon the force of tradition and the power of the A.A. purse for its final effectiveness.
